RE: FOIA Appeal of Donald Stone

Dear Sir/Madam:

On November 27, 2018, our office received the enclosed FOIA appeal from Donald Stone. He appears to be appealing his FOIA request about documents of the DOJ Office of Professional Responsibility, FOIA No. F19-00003. He addressed the envelope to that office, but used the National Archives street address. We think he may believe that the Office of Government Information Services, located at our address, handles appeals, which they do not.

We are forwarding his letter to your office for handling. I sent a copy of this letter to Mr. Stone.

Sincerely,

Susan Gillett
Government Information Specialist
Office of General Counsel
